

## Bistro Renovations

### ***DID YOU KNOW?***

The origin of the word Bistro is a topic of much debate. The word could be derived from Parisian slang meaning “little wineshop or restaurant”.

Meadow Ridge, a Senior Care Development, LLC property, has officially opened their new dining space, The Bistro. The Bistro features bright, open cafe space and luxurious outdoor seating. The project consisted of renovating an existing lounge into the new Bistro / Dining venue with a fully equipped open kitchen and brand new outdoor patio space. ARCH provided Owner's Representative service for the campus.

## Kitchen Redesign

The renovation and redesign of the kitchen and bistro cafe at Shenandoah Valley Westminster Canterbury is now complete! This beautiful campus located in Winchester, Virginia undertook a renovation that included a new equipment layout and interior finishes. ARCH provided Construction Oversight for the campus.

## ARCH Gives Back

Members of the ARCH team spent an afternoon volunteering at the Northern Illinois Food Bank, an affiliate of Feeding America! We had a great time packing and sorting food for our hungry neighbors. Last year, volunteers donated over 136,000 hours of time to the food bank, which is the equivalent of 65 full-time employees and we were happy to contribute.
