

BRAVING THE WINTER WEATHER

The Village at Rockville Glenmere Expansion

Construction activity cruises ahead at several ARCH projects across the nation. Out East, The Village at Rockville Glenmere addition is making great progress towards an end of 2020 completion. In the Midwest, Friendship Village of Schaumburg has embarked on a parking, roofing and interior renovation project, poised to give the campus a nice summer refresh. Out West, The Eben Ezer Lutheran Care Center expansion in Colorado kicked off the final phase of a multi-step repositioning .

UPCOMING PRESENTATIONS

ARCH is enthused to share industry knowledge and discuss best practices with colleagues. Keep an eye out for the team speaking at the following upcoming conferences:

- *LeadingAge Illinois*, Schaumburg, IL
- *Environments for Aging*, Louisville, KY
- *LeadingAge California*, Palm Desert, CA

DID YOU KNOW?

Many organizations know ARCH as a trusted partner offering deep experience and specialized expertise in building project management and planning, but did you know we also provide facilities management support?

Our team can guide the implementation of a more productive system in-house. Contact us today to learn how we can reduce costs and maximize efficiency.
